Meet the speaker: Pat O'Keeffe

Pat loves Jesus, he loves his wife Issy, he loves the kids of the ALIVE youth group at Northbridge, and he likes doing a bunch of different hobbies at an average level of ability.

Over the last few years Pat has been struck more and more by how utterly good God is, and how there is no better life than being known and loved by Jesus. He's looking forward to opening the Bible with you and exploring that with you on camp!
