

Plank-Eye

Part 1

STUDENT ONE storms in, walking straight up to STUDENT TWO.

STUDENT ONE: Teachers are so stupid! Guess what just happened?

STUDENT TWO: What?

STUDENT ONE: Mr Beefspewy just got me in trouble for speaking in class. But it wasn't me, it was the kid next to me. Mr Beefspewy is dumb, and blind, and stupid! Just like every teacher! Also, his breath smells.

STUDENT TWO: All teachers aren't stupid! You're stupid! My mum is a teacher and people are mean to her all the time, it makes me angry. Teachers are people too! Maybe you're the blind and dumb one. You shouldn't be so mean! Also you're the one who smells!
